

Blu-Link™

Folding Bluetooth Keyboard

The Blu-Link™ Folding Bluetooth® Keyboard turns your tablet or other mobile device into a portable workstation. Simply slip the folding keyboard out of its travel case and, using the case as a stand, connect in seconds via Bluetooth wireless to your mobile tablet or smartphone.

Designed to increase your productivity, the Blu-Link Folding Keyboard makes mobile device text entry a snap. Compatible with all Apple®, Android® and Windows®-based tablets and smartphones, the portable Blu-Link Folding Keyboard enables a portable workstation for email, text and Internet applications.

- *Transforms your mobile device into a portable workstation*
- *Compatible with Apple, Android and other mobile devices.*
- *Full-sized keys for easy text entry*
- *Ideal for email, text and Internet applications*

Blu-Link™

Folding Bluetooth Keyboard

Typing on Mobile Devices

The Blu-Link™ Folding Bluetooth Keyboard takes the 'point and press' tedium out of typing on mobile devices. Connecting via Bluetooth wireless, the Blu-Link keyboard is compatible with all Apple, Android and other tablets and smartphones.

Portable Productivity

Improve your speed and accuracy when entering text on your iPad®, iPhone® or other smartphone or tablet. The Blu-Link™ Folding Keyboard takes the frustration out of typing emails, text documents and Web addresses, one character at a time.

Blu-Link Keyboard Applications

Use your tablet or smartphone more productively at home or on the road. Simply slip the folding keyboard out of its travel case and, using the case a stand, connect in seconds via Bluetooth® wireless to your tablet or smartphone.
