

ELEVATE, ACCELERATE, INNOVATE

Data storage should get you to creative goals without getting in your way. Crafted to unlock pro-grade performance and versatility, PRO-BLADE will change the way you capture, edit, and move your content. Say goodbye to bulky drives, delays in the action, and slow data transfers.

Unlock your creativity with modular storage suitable for any workflow.

What's Modular Storage?

1. GET STARTED PRO-BLADE SSD Mag

PRO-BLADE is built around the SSD Mag, an NVMe internal SSD in cool, crush-resistant aluminum. Mags are the building blocks of your modular storage system. Bring as many as you need, wherever you need them, without the same bulk as multiple drives.

2. GET TO WORK PRO-BLADE TRANSPORT

Load your Mag into the PRO-BLADE TRANSPORT to create a versatile, modular portable SSD¹. Streamline work on set, in the field, or in post-production with a USB-C connection (20 Gbps) and handle data-intensive projects faster by swapping Mags — without taking apart your rig.

3. GET TO YOUR DATA PRO-BLADE STATION

Insert up to four Mags at a time in the PRO-BLADE STATION for a fast, widely compatible external setup¹. Immediately edit content on the same drives you used for capture and connect your entire workflow to the STATION with Thunderbolt and USB-C connections.

PRODUCT	PRO-BLADE SSD Mag	PRO-BLADE TRANSPORT	PRO-BLADE STATION	G-DRIVE PROJECT	G-RAID MIRROR
MAX SPEED*	3000MB/s Read 2600MB/s Write	2000MB/s Read 2000MB/s Write	3000MB/s Read 2600MB/s Write	1000MB/s Read 1000MB/s Write	1000MB/s Read 1000MB/s Write
INTERFACE	PRO-BLADE SSD Mag Connector	USB 3.2 Gen 2x2	Thunderbolt 3	Thunderbolt 3	Thunderbolt 3
CONNECTED TO USB 3.2 GEN 2X1 (10GB CABLE)¹	Depends on enclosure	1050MB/s Read 1050MB/s Write	1050MB/s Read 1050MB/s Write	1050MB/s Read 1050MB/s Write	1050MB/s Read 1050MB/s Write
